2024 180 Medical Ron Howell Caregiver College Scholarship APPLICATION INFORMATION

About 180 Medical

180 Medical is one of the leading providers of catheters, ostomy products, and incontinence supplies in the United States. 180 Medical aims to offer high-quality products paired with unparalleled customer service.

About Ron

Before serving as President of 180 Medical, Ron led a varied and rich career in the United States Air Force, where he learned and embraced the core values of “Integrity first, service before self, and excellence in all we do.” For years, Ron dedicated himself to these values during his time in service.

This ultimately led to a perfect fit at 180 Medical as Ron continued his career path as a civilian after retiring from the military. Ron served numerous roles in leadership and sales throughout the nearly 15 years of his career here before taking over as President of 180 Medical in 2015. During his time as President, Ron worked hard to uphold 180 Medical’s primary values, including compassion, service, and integrity, while also honoring our Founder Todd Brown’s legacy.

As a father, son, friend, and brother, Ron understands firsthand how important taking the role of a caregiver can be. In addition, he feels that the values that have guided much of his life and shaped his character are central components to caregiving.

Scholarship Awards

Eligibility Requirements: In order to be eligible, applicants must be an unpaid caregiver to a family member or loved one who lives with a chronic disability or medical condition requiring consistent in-home care. Must be attending a two-year, four-year, or graduate school program full time in the fall. Medical school students are not eligible to apply. Must be a legal resident of the United States.
